The Vision

At St Anthony's Secondary School, an institute of Academic Learning coupled with social, athletic and cultural experiences, working to develop well rounded young persons ready to be responsible citizens in a multi-cultural community, work place or other institute of higher learning.

The Mission

At St. Anthony's Secondary School we strive to share with students experiences that will benefit them on a global level and will equip them with the tools to function and excel in their future.

St. Anthony's Secondary School will provide its teachers with opportunities to stay abreast of up to date methods of teaching and ensure facilitation of their professional development.

St. Anthony's Secondary School endeavours to build strong relationships between parents, teacher and child, the important stakeholders whose cooperation and mutual respect will ensure positive outcomes.

PRINCIPAL'S MESSAGE

Welcome to St. Anthony's Secondary School. This is just one more step in your life's journey. Make the most of your time here, work hard, play hard and get your money's worth of education. Do not let anything, anyone even yourself... prevent you from doing your BEST....
